## Guilty plea attained for 2023 Enterprise burglary

The man accused in the June 2023 burglary of Corks & Cattle, a restaurant in Enterprise, Ala., pled guilty Wednesday, Oct. 1, in a Coffee County court.

12th Judicial Circuit Assistant District Attorney Jeremy Mitchell said Tyrone Lewis appeared for jury selection last Wednesday in the Enterprise Division of Coffee County on a burglary – third degree charge.

"Prior to the jury being selected, settlement negotiations were conducted where Lewis entered a guilty plea to the burglary – third degree charge as Ina habitual felony offend-

Tyrone Lewis

er, along with numerous other felony charges that were pending against him," Mitchell said. "Circuit Judge Shannon Clark conducted the plea hearing and sentenced Lewis to a term

of 20 years in prison to be served in the State of Alabama Department of Corrections."

On June 1, 2023, Mitchell said Lewis went to Corks & Cattle and cut a hole in the screening at the top of the building and made his way into the porch area. He then took a chair, busted out a window near the bar area, and proceeded to make his way into the building.

"Lewis stole approximately four bottles of alcohol and then made his way back out of the building," Mitchell said. "The entire crime was captured on surveillance video, and Lewis ultimately confessed when questioned by law enforcement after he was arrested."

Mitchell said records show Lewis had six prior felony convictions, including two prior theft of property felonies and one prior burglary felony.

"Lewis has been a thorn in the side of law enforcement and the citizens of the City of Enterprise for most of his adult life," Mitchell said. "Thankfully, this outcome and sentence length will keep the streets of Enterprise safe from the criminal behavior of Lewis for a substantial amount time."

The District Attorney's Office thanked the Enterprise Police Department for their work in investigating this case. Additionally, the office gave thanks to Corks & Cattle for its cooperation in this case by providing essential surveillance footage that led to the identification and capture of Lewis.

## Funding opportunity available for Alabama's creative spaces

The Alabama State Council on the Arts is now accepting applications for Creative Places Arts Facilities grants to support and strengthen Alabama's creative spaces.

Creative Places funding for fiscal year 2026 is available in three distinct categories:

**ENHANCEMENT GRANTS** to fund equipment purchases and upgrades that will improve how cultural assets and works of art are presented, produced, exhibited, and/or preserved. Applicants may request up to \$50,000. No applicant-funded expenses are required for enhancement grants.

**DESIGN GRANTS** to fund necessary steps to build, renovate, reuse, or restore an arts facility. Applicants may request up to \$75,000.

**CONSTRUCTION GRANTS** to fund the building of a new facility, substantial renovations of an existing facility, or significant repairs/modifications of existing facilities. Applicants may request up to \$100,000.

Facilities-focused grants provide recipients with the opportunity to make necessary repairs and long-term investments in their creative spaces, ensuring that the scope of outreach extends beyond the buildings

and into the communities they serve.

"These critical investments make a big difference in communities throughout Alabama and will pay dividends for years to come," said Elliot Knight, executive director of the Council on the Arts. "We extend our gratitude to the Alabama Legislature for their continued support of the Creative Places Arts Facilities grant program."

A total of 64 Creative Places grants were awarded for fiscal year 2025. Among those was a grant to Elba's Foundation 154/Elba. Foundation 154's enhancement grant of

\$40,000 was dedicated to the purchase and installation of the most essential components of the Elba Theatre's new audio system.

The audio system ensures the theatre can reliably host a wide range of performances, film screenings, and civic events with professional sound quality. This project was recently completed at the Elba Theatre.

**APPLYING FOR CREATIVE PLACES FUNDING**

Eligible spaces include Alabama-based performing arts centers, art museums and galleries, multi-purpose arts centers, artist residency facilities, and outdoor performance venues.

Organizations are invited to request funding at [arts.alabama.gov/apply](https://arts.alabama.gov/apply). Applications must be submitted by nonprofits or municipalities with facilities primarily used for arts programming. Funding is made possible thanks to a special appropriation from the Alabama Legislature.

The deadline to apply is Dec. 1, at 5 pm CT. Grant awards will be announced in March 2026.

### Cuzin Lou Lou's Tales from Yonder

*Editor's Note: Cuzin Lou Lou's tales are to be enjoyed as a light-hearted form of Southern expression*

Cuzin Lou Lou enjoys spicy foods much more than she should considering her life-long battles with digestive issues, and on a recent Friday she met the red jalapeno that almost took her out!

Lou Lou and Sister had taken the day off and were enjoying a quick get-away. The jalapeno experience came when the two were taking a quick lunch break.

Sister has been trying to eat healthier recently due to her diabetes struggles, and she was planning to order a grilled chicken caesar salad. In support, Lou Lou decided to order a salad too - she opted for a street corn salad.

Now, Lou Lou knew there would be jalapenos in the salad, but she was expecting little green slices of jalapeno, which are common in many Mexican food dishes. That was not the case with this salad! Instead, hidden in the salad were full red jalapeno pods!

With her first bite of the salad, Lou Lou got one of those suckers! Ten minutes later, the burning had eased enough that she was able to return to her meal, but it was more like 12 hours later before her stomach felt even remotely normal again.

After lunch, Sister, who had gotten quite the laugh off of Lou Lou's predicament, Googled about red jalapenos. She wanted to know if they were "hotter" than the green ones.

Google confirmed, just as Lou Lou had been telling her, they are indeed hotter because they are more mature thus giving them longer for the "hot" flavors to increase!

As Sister revealed her findings to Lou Lou, the reply was, "Well! I got the granddaddy of them all in my lunch today!!"

Lou Lou has been very wary of red things in her meals since that day!

Until next time...God Bless, Keep Smiling and be careful when ordering "new-to-you" meals!

Windy Thoughts

with Linda Hodge, Publisher

It was Homecoming in Elba last week, and it seemed to be a fun week for all! As we were attending the annual bonfire last Thursday night, we were reminded of the significance of carrying on traditions during a Homecoming celebration. It's not just about the current students having a fun-filled week, it's also about honoring the students that walked the halls of the school in years prior. Homecoming welcomes alumni home, and it is great to see former students come together with the current students to celebrate the traditions of the school and keep them alive and well! From hearing the band play the school's fight song or "Eye of the Tiger" to the cheerleaders leading saying, "We Love Those Elba Boys Because They're From Elba High..." the week of Homecoming is a special time for Elba, and we enjoyed seeing so many enjoy it last week here in Elba.

Life can change in the blink of an eye, and that was the case last Friday night when a car accident in neighboring Covington County claimed the lives of two small children. We cannot imagine the hurt those families have dealt with since that accident. This was one of those tragedies that had far reaching effects on several communities, and our prayers for healing and comfort continue for any and all that knew and loved these children. May or Lord comfort you all in the days ahead.

There was a shooting in the streets of Montgomery last weekend that left two dead and at least 14 others injured! This shooting took place in an area of downtown Montgomery that is often times filled with people enjoying restaurants, a Biscuits baseball game, and other events. Over the years, we have attended many baseball games at Riverwalk Stadium in that area. Folks should not have to constantly worry about their safety from such violence when they simply want to go out and enjoy life. These kinds of incidents make our blood boil because their is absolutely no sense in them.

Elba's Little Miss London Grantham will be competing this weekend in the Little Miss National Peanut Festival Pageant. We hope London has the absolute best time as she represents Elba at the pageant, and we hope for calm nerves for her family as they sit in the audience! London is a precious young lady, and we have no doubt she will represent her city well at the event!!

### Helping a Grandparent Grieve

When a grandchild dies, the grandparent often mourns the death on many levels. The grandparent probably loved the child dearly and may have been very close to him or her. The death has created a hole in the grandparent's life that cannot be filled by anyone else. Grandparents who were not close to the child who died, perhaps because they lived far away, may instead mourn the loss of a relationship they never had.

Grieving grandparents are also faced with witnessing their child-the parent of the child who died-mourn the death. A parent's love for a child is perhaps the strongest of all human bonds. For the parents of the child who died, the pain of grief may seem intolerable. For the grandparents, watching their own child suffer so and feeling powerless to take away the hurt can feel almost as intolerable.

Young people aren't supposed to die. The death violates the natural order of life and seems terribly unfair. For grandparents, who may have lived long, rich lives already, the struggle to understand the death may bring about feelings of guilt. "Why didn't God take me, instead?" the grandparent may ask himself. "Why couldn't it have been me?"

Such feelings are both normal and necessary. You can help by encouraging the grandparent to talk about them.

Many people develop strong commitments to faith and spirituality as they get older. If you allow them, grieving grandparents will "teach you" about the role of faith and spirituality in their lives. Encourage them to express their faith if doing so helps them heal in grief.

Sometimes, however, faith can naturally complicate healing. The grandparent may feel angry at God for "taking" the grandchild. He then may feel guilty about his anger, because, he may reason, God is not to be questioned. Or the grandparent may struggle with feelings of doubt about God's plan or the afterlife.

Talking with a pastor may help the grandparent, as long as the pastor allows the grandparent to honestly express her feelings of anger, guilt and sadness. No one should tell a grandparent that she shouldn't grieve because the child has gone to heaven; mourning and having faith are not mutually exclusive.

## Final Notice and Public Explanation of a Proposed Activity in a 100 Year Floodplain

### To: All interested Agencies, Groups and Individuals

This is to give notice that the City of Elba has conducted an evaluation as required by Executive Order(s) 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under ADECA's CDBG Program under Project Number LR-ED-PF-24-007. The proposed project includes installation of approximately 1,530 linear feet of water main, valves, water service, and seeding and erosion control. The project is located in less than an acre of floodplain. The project is located at and around 988 Highway 203 in Elba, Alabama in Coffee County.

City of Elba has considered the following alternatives and mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values: The proposed water system improvements must take place in the floodplain since that is only way to supply water to the business in need. The only alternative considered was to not do the improvements, but the business would not have adequate water supply to operate. During construction best management practices will be implemented to ensure that there is no erosion or soil loss or impact local households or businesses negatively. Compliance with state and local floodplain protection procedures will take place.

City of Elba has reevaluated the alternatives to building in the floodplain and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of floodplain, are available for public inspection, review and copying upon request at the times and location delineated in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in a floodplain and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplain can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplain, it must inform those who may be put at greater or continued risk.

Written comments must be received by the City of Elba at the following address on or before 10/16/2025: City of Elba, 200 Buford Street, Elba, AL 36323 and (334) 897-2333 Attention: Tom Maddox, Mayor. A full description of the project may also be reviewed from 9 AM to 3 PM at 200 Buford Street. Comments may also be submitted via email at rarmstrong@searpcdc.org.

CHURCH NEWS

### Pastor's Corner

Article written by Rev. Kit Johnson,  
Pastor of Elba First Baptist Church

**A Message of Hope**

Among those who are reading this, I would like to assume most if not all would agree that God's Word is not only true but relevant. According to both Moses in Deuteronomy 8:3 and Jesus in Matthew 4:4 we are to live on or be nourished by every word that proceeds out of the mouth of God. Still, I am sure there are times in your life, as in mine, when certain passages meet a specific need in your life, and you find yourself clinging to said verse(s) throughout the day in a new way.

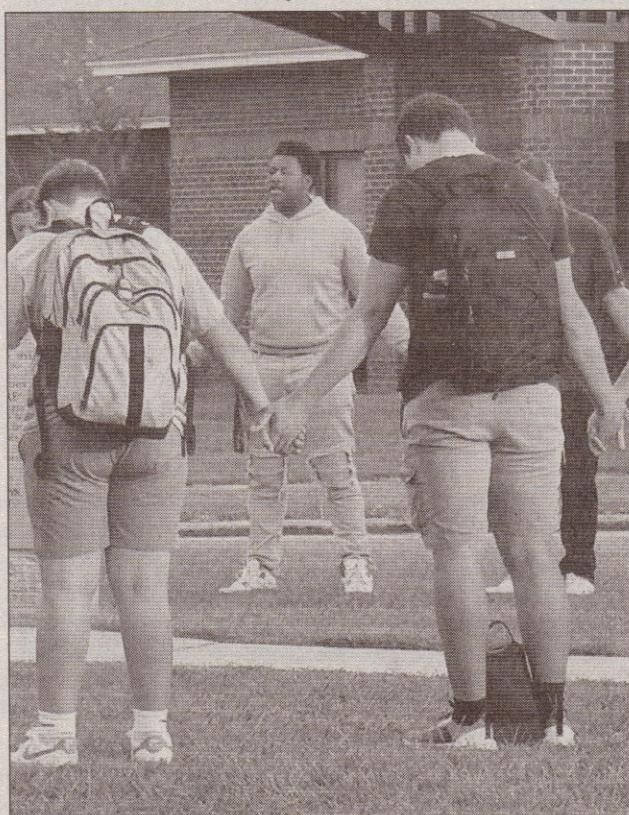

Before continuing, I trust there is another thing we each have in common. We know a loved one that seems to be losing life's battle. I'm not talking about that individual who is walking with the Lord faithfully though their body seems to be failing them, nor the one who cannot seem to climb out of their financial hardships though their faith in Christ isn't shaken. The loved one I'm speaking of is that person in your life that you pray for as often as you think of them because you know or suspect they are lost. Perhaps you know they have accepted Jesus as Lord, but their life reflects that of the prodigal son who satisfies self on the things Samford University's MTI classes offered at CCBA this fall

**Be careful what you swallow**

An article by George Rector, a food column writer, in the Saturday Evening Post for September 5, 1936, recommended serving green salad in a wooden bowl. The article specified that the bowl was to be unvarnished, rubbed with a clove of garlic before the salad was placed in it, and never ever washed. Supposedly, this practice would "cure" the wood and each successful bowl of salad would be more delicious than the previous one. For decades, hosts of American cooks followed Rector's advice, not knowing that they were victims of a hoax. Sometime in the 1960's, Rector admitted that he had invented the idea to give Americans some self esteem in the preparation of food by (supposedly) doing it in the "French way". The French were considered by many Americans of that time (and this) to be the world's experts in the culinary arts. What Rector's readers did not know was that, instead of "curing" the wood, the salad dressing soaked into the pores of the wood. And since the bowls were never washed, they became saturated with rancid oil. When those who are reputed to be experts lead us astray, there can be serious consequences for of health, whether physical or moral and spiritual. It was the latter kind of danger the Galatians found themselves in. By listening to false teachers, they were reputting their souls at risk, turning away from faith in Christ to trust in works of the law. There are still teachers who would lead us astray. The moral of the story is that we should be careful of what we swallow, whether it's salad out of a rancid bowl or ideas from a false teacher. Both can hurt us. C.R.B.

*We have always had pets* and consider them as valuable members of the family, but recently we have had to adjust from pet owners into pet caregivers as both our dogs have gone blind. Sila, a long-haired dachshund, went blind a few months back, but as an indoor pet has memorized all the corners of the house and can even get into the bed using her pet stairs, while Buster, a lab, went blind a few weeks ago during his long battle with heartworms, and is still learning how to get around in the backyard he has owned for the past two years. It hurts to see them bump into things and often have a lost look on their faces. However, they are still our pets and will be taken care of as long as we are family.

For what it is worth....

\*\*\* *The Elba Tigers got a much-needed win* last week with a big 45-6 romp over Red Level and all of the sudden the talk around Tigertown is about closing the regular season with a four-game winning streak and moving on to the playoffs as one of the hottest teams in the 1A ranks. I will admit the homecoming win even got me a little excited after the Tigers six-game season long skid, and the players deserve credit for working hard and winning a ‘must win’ region contest. However, let’s not get too excited and recognize there is still a lot of work to do and that one win certainly does not make the season a success! Okay, I know Elba scored a season high 45

points in the win and allowed a season low 6 points, but the Tigers came away empty-handed twice in the second quarter after driving inside the Red Level 20-yardline, and fumbled away another scoring opportunity late in the game after moving inside the Red Level ten. Three trips inside the red zone without scoring a point will get a team beat in a close game, and that is something that I am sure will be addressed at practice. Over on defense, the Tigers scored two touchdowns and almost threw a shutout, but Red Level did rush for over 200 yards in the game and had two backs that rolled up big yardage. I know some will say I try to keep the team fired up when things are going bad and then point out shortcomings when things are going good. However, I am a firm believer the players can’t get too high after a win and can’t get too low after a loss. A season is a long process with many ups and downs, and while the Tigers are definitely up after last week’s win, a downer may not that far away. Great win, Tigers, but don’t be satisfied and work harder than ever to make it the start of something really big!

\*\*\* *The teams in the area won two of their three* games last week, and while the third failed to get a win on the road, it played hard for all four quarters and continued to earn the respect of all its opponents. \* New Brockton made it look easy with a lopsided 42-7 region win over winless Geneva, and now has its path to the playoffs cleared off and ready to travel. The Gamecocks are a surprise team this year and have taken giant steps toward a return to the success of years back. \* Zion Chapel roared out to a 33-0 halftime lead and coasted in with a 36-20 region win over Pike Liberal Arts that put the Rebels in the driver’s seat for another trip to the post-season party. The Rebels may not be the most talented team in the 2A ranks, but no one players harder and it is easy to see why their fans are so rabid. \* Kinston saw a two-touchdown lead slip away in a tough road loss to Florala that left the Bulldogs in a ‘must win’ situation in all their remaining

region games. The Bulldogs have had nothing come easy this season, but have battled each and every week and are still a team no one in the region really looks forward to playing.

\*\*\* *It was another interesting week* of high school football across the state and I thought I’d take a quick look at each of the classifications and pass on a few tidbits that many fans may also find interesting. (1A) McKenzie ripped Pleasant Home 52-13 and has now scored fifty points or more in every game this season since a lowly 48-point output in game one. The Tigers are on a 16-2 run over the past two years and are no doubt a team to keep an eye on. Leroy spanked Marengo 60-20 to improve to 7-0, and the Bears are averaging over 49 points a game. (2A) Reeltown lost to region rival Lanett 20-19 and all of the sudden don’t look as powerful as many thought, while Luverne blanked Calhoun 60-0 to improve to 6-0 and the Tigers are averaging 62 points a game. (3A) Wicksburg is the biggest surprise in the Wiregrass with a 5-2 record after a 42-14 win over Prattville Christian and is fighting for a homefield advantage in the playoffs, while a team to keep an eye on is Bayside Academy, which buried Hillcrest 56-6, and since a season opening loss to 5A St. Michael’s is averaging over 49 points a game. (4A) Second-ranked St. Michael’s outscored top-ranked Jackson 49-39 and is scoring at a 49-points per game clip, while Madison Academy has posted five straight wins since a season opening loss to Mars Hill and outscored North Jackson last week 57-56. (5A) Montgomery Catholic may be the best 3-win team in the state after a 42-0 pasting of Carroll and is 2-1 in region play, while Williamson followed up its 100-0 win over Murphy with a 54-0 win over Faith, and is averaging 61 points per game. (6A) Russell County improved to 7-0 with a 28-10 win over Stanhope Elmore and is on a 16-3 run the past two seasons, while Clay-Chalkville also improved to 7-0 with a 49-0 win over Mt. Brook and is averaging over 49 points a game while allowing only 63 points, all season. (7A) Carver beat up on Enterprise 49-14 and all of the sudden the Wildcats are 0-4 in the region and may just be out of the playoff picture after just six weeks, while Smiths Station defeated JAG 42-32 for its second win of the season, which is the most wins in a season in five years. Oh yea, while a total of 13 ranked teams lost last week, don’t let that number fool ya, since nine games involved games in which both teams were ranked in the Top 10 in their classifications.

\*\*\* *Ye Ole Polish Prognosticator* hit on 24 of his 27 picks last week and appears to be hitting his stride as the season winds down. The local guesspert admitted he was still looking for a perfect week when he dropped by over the weekend, but also admitted it may not happen this week with more than a handful of toss-ups. Oh well, he is this week’s fearless forecast....

ELBA VS. PLEASANT HOME

The Pea River felines enjoyed the sweet taste of victory last week and I have a hunch they will be on the prowl again this week looking for a second helping. The high-flying birds from over in the woods of Covington County may not be an easy prey, but the guess here is the felines will be licking their lips after another victory dinner late Friday night.

ELBA 33 PLEASANT HOME 16

KINSTON VS. MCKENZIE

The bulldogs from down near the county line will be ready and waiting this weekend looking for a litter of kitties that are expected to pass through town just after dark. While the dogs will bark loud enough to chase a few kitties away, it ain’t easy to herd up a litter of kitties and the dogs will be a little tired after what could be a long night.

MCKENZIE 48 KINSTON 14

NEW BROCKTON VS. ASHFORD

The roosters from over behind the dollar store have been busy all week ruffling up their feathers for a flight over near the state line, and while on the trip must also figure out a way to avoid a big nest of yellowjackets that have been stinging any and all travelers. If they can avoid the stingers an upset may be on the way. The fight over may be just a little too much for the wings.

ASHFORD 31 NEW BROCKTON 14

ZION CHAPEL VS. BAKER

The troops from up at Fort Jack will hike across the state line this weekend looking to bag a few gators that have been making lots of noise all season long. The troops will have their sights set on all their muskets and will no doubt be ready for the hunt, but the guess here is it will be a long trip down there and a long trip back.

Elba Tigers host Pleasant Home Eagles in ‘must win’ region game for both teams

The Elba Tigers will be looking to keep their playoff hopes alive Friday night when they host the Pleasant Home Eagles, at Tiger Stadium.

Elba will bring a 1-6 record into the clash and owns a 1-3 region record, while Pleasant Home will enter the game with a 2-4 record and is also 1-3 in the region. The Tigers own a 5-0 edge in the series between the two region rivals and it the five wins have outscored the Eagles 247-42.

“Pleasant Home is a much improved team from a year ago and is a very physical and well coached team,” said Elba’s Coach Jon Cooper. “They have the same region record we do and like us still have playoff hopes. They beat Red Level on the road, only lost to Brantley by six points and lost to 2A Geneva County by eight. Pleasant Home is a good football team and we have nothing but respect for its program.”

The Eagles, coached by first-year head coach Michael Smith, have posted wins over Fruitdale 13-0 and Red Level 26-22, while losing to Geneva County 20-12, Brantley 6-0, Florala 34-18 and McKenzie 52-13.

Pleasant Home has a young team with only four seniors, while a total of 25 players come from the junior, sophomore and freshman classes.

“Pleasant Home isn’t fancy in what it does on either side of the ball,” added Cooper, “but they do a good job in what they do and are playing with confidence. There is no doubt they will come over here Friday night expecting to win the football game and we know they will get after us and look for them to play their best game of the season.” •

“On offense they will run out of a spread look and also get in a single win at times,” added Cooper. “They have one of the best backs in the region that is about 6-1, 175-pounds, and he can really go. When he gets to the corner he usually ends up the endzone! They also have a really good quarter back that is solid both running and passing, and their offense runs through those two players. They also have some big guys up front that are physical and play hard, and I assure you this is not your typical Pleasant Home football team.”

“Over on defense they use multiple looks and are aggressive and pursue

the ball,” added Cooper. “They pretty much have the same guys on offense and defense, but they play hard every play and have shut down some really good teams.”

“If we are going to win this week we will have to continue to improve on both sides of the ball and play hard every single play. We will have to score when we get the chance, not make mistakes and not have turnovers. These two

Area teams are all on the road as region wars continue in week seven of prep football season

The high school football regular season is beginning to wind down and for the teams in the area week seven will bring with it road trips for all three teams, with two teams battling region leaders and a third heading out of state.

Following is a preview of this week’s area games:  
**Zion Chapel at Baker, FL.**

The Zion Chapel Rebels will be looking to maintain momentum this week when they head across the state line to battle the undefeated Baker Gators. Baker leads the series 3-2, while Zion Chapel won last season 21-20.

The Rebels snapped a three-game losing streak last week with a 36-20 region win over Pike Liberal Arts, and will have two region games left on the schedule after this week’s non-region clash with the Florida small school power. The Gators are off to a perfect 7-0 start and have averaged 37 points a game

while allowing 13 points per game.  
**Kinston at McKenzie**  
The Kinston Bulldogs will be looking to snap a three-game losing streak and keep their playoff hopes alive Friday night when they travel to battle the McKenzie Tigers. McKenzie owns a 19-10 series edge and won last year’s meeting 58-0.

The Bulldogs have dropped three straight games after a fast start and will need a win tonight to keep up with their region rivals in the hunt for the playoffs. The Tigers, the defending region champions, will bring a 6-0 record into the clash and in the six wins have averaged 51 points a game and allowed 16 points per game.  
**New Brockton at Ashford**

Two of the surprise teams in the region will get together Friday night in Ashford when the New Brockton Gamecocks tangle with the Ashford Yellowjackets. Ashford owns a 2-1 series edge and last season handed New Brockton a 41-0 defeat.

The Gamecocks will bring a 5-2 record into the region battle and can take a giant step toward a playoff berth with a win. The Yellowjackets will carry a 5-1 record into the clash, have won their last three games and are 3-1 in region play, averaging 27 points a game and allowing 13 points a game.

Other area games this week include –Florala at Brantley, Georgiana at Red Level, Cottonwood at Ariton, Samson at Geneva County, Highland Home at Luverne, Goshen at Pike Liberal Arts, Opp at Geneva, Pike County at Straughn, Andalusia at Eufaula, and Opelika at Enterprise.

The Elba Tigers gave a large homecoming crowd plenty to cheer about and kept their playoff hopes alive Friday night with a big 45-6 region win over the Red Level Tigers.

Elba received the game's opening kickoff and covered sixty-yards in only five plays to get on the scoreboard. Easton McKelvy completed three of four passes for 52 yards to lead the Tigers down the field, while Tyceson Davis bulled over the goal line from six-yards out for the score. The extra-point try failed, but with 9:15 left in the first quarter the Tigers were already on top 6-0.

The Elba defense put the next points on the scoreboard when Skylar Mitchell picked off a Red Level pass and returned the interception 37 yards for a Tiger touchdown. Powell

Bane ran in the two-point conversion, as Elba upped its lead to 14-0 with 7:51 still remaining in the opening quarter.

Red Level turned the ball over again on its next possession when Elba's Laquatos Edwards recovered a fumble at the Red Level 38-yardline, but this time the Red Level defense came up with a stop, and one play later the Tigers from Covington County were on the scoreboard when Deion Walton broke loose and raced 70 yards for a touchdown. A two-point run failed to add points. However, with 3:51 left in the quarter the Elba lead was down to 14-6.

Elba failed to add to its lead on its next two possessions after driving into Red Level territory, but regained possession at its own 28-yardline with 1:16 left on the clock after a defensive stop, and used up all but one second off the clock on a six-play,

72-yard scoring drive. Tyceson Davis rushed for 68 yards on four carries to spark the long scoring drive, which was capped with one second remaining in the half when Easton McKelvy tossed a 9-yard touchdown pass to Jaden Baker. A two-point run failed to find the endzone, but the Tigers went in at intermission with a 20-6 lead.

Elba's Mateo Jiminez recovered a Red Level fumble on the third play of the third quarter at the Red Level 31-yardline, and from there it took the Tigers three plays to add to their advantage. Tyceson Davis got the call on all three plays and scored his second touchdown of the night on a 5-yard run, and Laquatos Edwards kicked the extra-point to push the Tigers lead to 27-6 with 9:39 left in the quarter.

The Elba defense turned back a Red Level scoring threat at the Elba 6-yardline on the game's next offensive series, and after the stop the Tiger offense went back to work and went 94 yards in seven plays to add to its lead. A 61-yard pass from Easton McKelvy to Ky'Avian Stoudemire was a key play in the long scoring march, and it was McKelvy that scored the Tiger touchdown on a 1-yard sweep around the left side as Elba's lead grew to 33-6 with 2:32 left in the quarter.

Elba's Laquatos Edwards intercepted a Red Level pass on the game's next play from scrimmage, and this time it took the Tigers only two plays to cash in the turnover. A 26-yard pass from McKelvy to Jaden Baker moved the ball to the Red Level one-yardline, and on the next play Cassidy Carpenter powered into the endzone.

The extra-point attempt failed; however, with 1:44 left in the wild third quarter the Tigers were in command with a 39-6 lead.

Red Level continued to play give away on its next possession when the Tigers Earl Tolentino recovered a fumble at the Red Level 39-yardline, and Elba quickly moved to a first down at the 16 behind the running of Laquatos Edwards. Two penalties moved the Tigers back; however, and a fumble on fourth down kept the Tigers out of the endzone.

Elba's defense scored its second td of the game only three plays later when a high snap on a Red Level punt attempt rolled into the endzone and was recovered by Mateo Jiminez for a Tiger touchdown. A two-point run failed to add points, but with 5:03 left in the quarter Elba had the win wrapped up with a 45-6 lead.

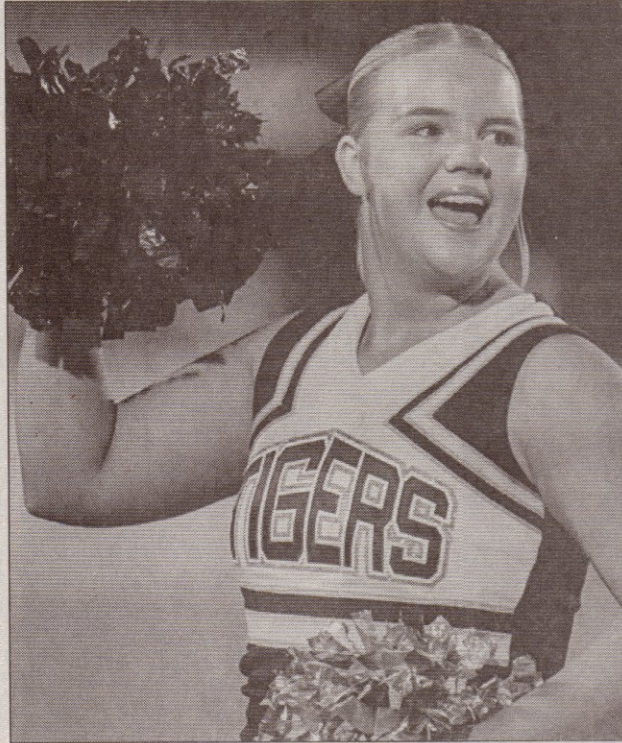

Tyceson Davis rushed for 145 yards and two touchdowns on 13 carries to lead the Elba ground attack, while Easton McKelvy completed 11 of 15 passes for 181 yards and one td and also rushed for a Tiger touchdown. Cassidy Carpenter rushed for 21 yards and one td on four carries, Jaden Baker caught five passes for 74 yards and one td, and Ky'Avian Stoudemire had three catches for 76 yards.

Laquatos Edwards had 8 tackles, a fumble recovery and a pass interception to lead the Elba defense, while Mateo Jiminez added 6 tackles and recovered two fumbles, Powell Bane added 6 tackles, and Reggie Gilbert had 5 stops.

Deion Walton rushed for 97 yards and one td and Shambrian Mayes rushed for 117 yards on 19 carries to lead Red Level.

## Defeats Pike Lib 36-20

# Zion Chapel punishes Patriots

From combined reports  
Photos by, Amanda Clark

The Zion Chapel Rebels snapped a three-game losing streak and pumped new life into their playoff hopes Thursday night with a big 36-20 region win over the Pike Liberal Arts Patriots, at Green Memorial Stadium.

It was the Zion Chapel defense that put the first points of the night on the scoreboard when Trent Elrod stepped in front of a Pike Lib receiver for an interception and returned it for a 'pick six' from 26 yards out. A two-point run failed to add points, but with 8:06 left in the first quarter he Rebels were on top 6-0.

Zion Chapel's offense fumbled away an early scoring opportunity at the Pike Lib 24-yardline, but was almost flawless on its next five possessions as the Rebels scored on five straight series to carry a commanding 33-0 lead in at intermission.

The first Rebel touchdown on offense came after an 83-yard drive that took 11 plays and ate up over five minutes off the clock. John Foster Hamm rushed for 26 yards on five carries and Joeb Bradley added a 33-yard run and pulled in a 16-yard pass to lead the Rebels down the field, while Brayden Benbow capped the drive with a 3-yard scoring run. A two-point run again failed, but with 56-seconds left in the quarter Zion Chapel was in front 12-0.

The Rebels began their next possession at their own 41-yardline after a Patriot punt and this time Zion Chapel needed only one play to reach paydirt as Benbow broke through a hole and raced 59 yards for a touchdown. Hamm kicked the extra-point to put the Rebels on top 19-0 with 10:55 left in the second quarter.

Zion Chapel put the ball in play at its 23-yardline after another Pike Lib punt and promptly marched 77-yards in six plays to add to its lead. A 28-yard pass from John Foster Hamm to Joeb Bradley got the drive off to a fast start, while Benbow scored his third touchdown of the half on a 28-yard gallop. Bradley ran in the two-point conversion, and with 6:10 remaining in the quarter the Rebels lead

had grown to 27-0.

The Rebels began their next possession at their own 42-yardline after yet another Patriot punt, and from there Zion Chapel needed only three plays to get back into the endzone, as John Foster Hamm barreled through the Pike Lib defense on a 47-yard touchdown scamper. A two-point run failed to produce points. However, with 4:12 left in the half Zion Chapel's lead had ballooned to 33-0.

Pike Lib received the second half kickoff and went 52 yards in eight plays to get on the scoreboard. The Patriot score came on a 17-yard pass from Dutch Adams to Jack Baggett, and Jackson Bowen booted the extra-point to pull the Patriots to within 33-7 with 8:26 left in the quarter.

The Patriots began their next possession at the Pike Lib 32-yardline after a defensive stop, and covered the 68 yards to the endzone in just six plays. The Patriot score came on a 15-yard td toss from Adams to Bowen, and Bowen added the extra-point as Pike Lib cut the Rebel lead to 33-14.

Zion Chapel's Jerimiah Stinson intercepted a Pike Lib pass on the Patriots ensuing possession, but the Patriots quickly regained possession on a Rebel punt and went 76 yards in six plays to continue their rally. Trip Royal scored the Pike Lib touchdown on a 9-yard run, and while the extra-point try failed, the Patriots were within 33-20 with 8:19 still left in the fourth quarter.

A 58-yard run by the Rebels Jerimiah Stinson set Zion Chapel up at the Pike Lib 12-yardline on its ensuing possession, and led to a 23-yard field goal by John Foster Hamm that put the Rebels up 36-20 with 3:56 remaining on the clock.

Pike Lib crossed midfield on its ensuing series, but the Rebels Jaxon Harrison intercepted a Patriot pass to end the threat, and Zion Chapel ran out the clock to claim the 36-20 region win.

Zion Chapel, which rushed for 470 yards on 45 carries, was led on the ground by John Foster Hamm with 171 yards and one touchdown on 26 carries, while Brayden Benbow rushed for 117 yards and three touchdowns on eight carries, Jerimiah Stinson rushed for 109 yards on seven carries, and Joeb Bradley rushed for 73 yards on four carries. Hamm completed 6 of 8 passes for 86 yards, with Bradley pulling in three passes for 44 yards and Benbow pulling in three passes for 42 yards. Trent Elrod, Jerimiah Stinson and Jaxon Harrison all had interceptions to spark the Rebel defense.

Dutch Adams passed for 200 yards and two touchdowns to lead Pike Lib, with Jack Baggett pulling in three passes for 58 yards and one td, and Jackson Bowen pulling in 51 yards in passes and one td.

The New Brockton Gamecocks raced out to a big 34-0 halftime lead and never looked back Thursday night in a dominating 42-7 region win over the Geneva Panthers, at Gamecock Stadium.

New Brockton began its initial series near midfield after a Geneva punt and wasted little time getting

on the scoreboard as on the second play from scrimmage the Gamecocks Anthony Silar broke loose and raced 52 yards for a touchdown. Wesley Creel tuned a bad snap on the extra-point attempt into two points, and with 9:44 left in the first quarter New Brockton was on top 8-0.

The Gamecocks began their next series at the Geneva 36-yardline after a fumble recovery by Bryant Crumpler, and this time needed seven plays

to reach the endzone, with Crumpler doing the honors with a 3-yard run. The extra-point try failed, but with 6:30 left in the quarter the Gamecocks were already on top 14-0.

New Brockton took advantage of another Panther turnover to put the ball in play at the Geneva 30-yardline late in the quarter, and the Gamecocks quickly cashed in the turnover on a 3-yard run by Wesley Creel as 'Brockton upped its lead to 20-0 with 10:32 remaining in the second quarter.

The Gamecocks Anthony Silar brought the New Brockton fans to their feet moments later when he returned a Panther punt 68 yards for a score, and Jose Soto booted the extra-point to push the New Brockton lead to 27-0 with 7:35 still left on the clock.

Geneva lost a fumble at its own 40-yardline late in the half, and the Gamecocks again took advantage of the turnover as they punched it over in eight plays. Creel passed to Silar for a 27-yard score with 1:40 remaining on the clock, and Soto added the extra-point as New Brockton carried a 34-0 lead in at intermission.

Geneva took advantage of a short field after a pass interception early in the third quarter and drove 28 yards in eight plays to get on the scoreboard. JJ King got the Panther touchdown on a 3-yard

run, and Jeffery Woods tacked on the extra-point as Geneva pulled within 34-7 with 5:10 left in the third quarter.

New Brockton scored the final points of the game early in the final quarter after driving 71 yards in nine plays, with Conner Leuci getting the score on a 12-yard run, and the Gamecocks added a two-point conversion to wrap up the big 42-7 region win.

Anthony Silar scored on a 27-yard pass reception, a 52-yard run and a 68-yard punt return to lead the Gamecock attack on offense, while Wesley Creel completed 6 of 16 passes for 83 yards and one td and also rushed for 25 yards and two touchdowns on six carries. Silar rushed for 76 yards and one td on three carries, Bryant Crumpler rushed for 33 yards and one td on four carries, Conner Leuci rushed for 30 yards and one td on six carries, and Shak Middleton rushed for 31 yards and six carries.

Kinston Bulldogs clawed by Wildcats 42-26

*Statistics by, W.J. Adcock*

The Kinston Bulldogs saw their losing streak reach three games Friday night with a hard fought 42-26 region road loss to the Florala Wildcats.

Kinston received the opening kickoff and marched 86 yards in seven running plays to grab an early lead. Judd Green rushed for 77 yards on six carries to lead the Bulldogs down the field, and it was Green that capped the long scoring drive with a 19-yard scoring scamper. An extra-point attempt failed, but with 8:52 left in the first quarter Kinston was on top 6-0.

A key third down sack by Kinston's Evan Hilburn

helped Kinston turn back a Florala scoring threat at the Bulldogs 19-yardline on the Wildcats initial possession, and the Bulldogs again stunned the 'Cats as Judd Green broke loose again and this time raced 81 yards for his second td of the quarter to put Kinston ahead 12-0 with 5:24 remaining in the quarter.

Florala intercepted a Kinston pass at the Bulldog 26-yardline late in the first quarter and cashed in the turnover on a 7-yard run by Jayden Bradberry to pull within 12-6 with 11:07 left in the second quarter. However, Kinston wasn't about to let the Wildcats steal the lead and marched 52 yards in four plays midway through the quarter to increase its

advantage. Judd Green rushed for 37 yards on three carries and scored his third touchdown of the night on a 7-yard burst, and while the extra-point failed, Kinston owned an 18-6 lead with 3:27 left in the half.

Florala answered the Kinston score with a late touchdown to pull within 18-12 at intermission, with the Wildcat touchdown coming on a 16-yard scamper by Greyson West.

Florala received the second half kickoff and went 55 yards in 10 plays to take its first lead of the game. The Wildcat score came on a 5-yard run by Greyson West, and Gage Davis passed for the two-point conversion to put Florala on top 20-18 with 7:02 remaining in the third quarter.

The Wildcats Greyson West scored again with 4:55 left in the quarter on a 41-yard run and Florala added the two-point conversion to stretch its lead to 28-18. However, the Bulldogs refused to just roll over and after a Florala punt late in the quarter marched 59 yards in eight plays to cut into the deficit. Jon Simmons completed two of four passes for 50

yards and connected with Easton Parker on an 8-yard td toss to cap the drive, and Simmons then passed to Jackson Cowen for the two-point conversion as Kinston pulled within 28-26 with 9:02 left in the fourth quarter.

Florala scored on its first play after the ensuing kickoff on a 52-yard pass from Davis to Bradberry, and then added a two-point pass to push its lead to 36-26 with 8:50 still left in the quarter, and then added a late score with just 44-seconds left on the clock on a 71-yard run by West to close out the scoring in the 42-26 Wildcat win.

Judd Green rushed for 206 yards and three touchdowns on 17 carries to lead Kinston, while Jon Simmons rushed for 53 yards on 12 carries and completed 6 of 12 passes for 91 yards and one td. JD Hart had two catches for 34 yards and Andy Rials pulled in a 41-yard pass.

Greyson West rushed for 205 yards and four touchdowns on 11 carries to lead Florala, while Jayden Bradberry added 40 yards and one td on nine carries, and Gage Davis completed 12 of 22 passes for 166 yards and one td.

Award-winning Kinston Bulldog Band performs at halftime at all Bulldog games and always wows the crowd with its performance.

Teacher Spotlight: Kim Braisted

by Annslea Taylor and Aubree Parish

Our next teacher spotlight is Anthony Donaldson!

Donaldson graduated from Brantley High School in 2011 and from Troy University in 2017. His first teaching job was at Northview High School, where he taught 9th-grade history for two years.

He has taught at Zion Chapel for four years, teaching 9th-grade history and senior government and economics. He also coached junior high basketball for two years.

Donaldson sponsors the Zion Chapel Student Government Association and recently gave a speech at the junior class ring ceremony. His favorite class to teach is sociology, and his favorite thing about Zion Chapel is that “everything here feels like a tight family.”

His advice for upcoming teachers is, “This is a calling, not a job.”

His favorite school event is graduation because he loves to see how everything pays off in the end.

He is married to McKenzie Donaldson, and they have two children, Noah and Emilia.

A student shared, “Mr. Donaldson has a great way of making everyone feel welcome in his classroom, even if he isn’t their teacher.”

**REBELution MEETING HELD** (by Khloe Jones)...On Monday, Oct. 6, students in grades 6–12 from Zion Chapel gathered for the first REBELution assembly of the year, celebrating school spirit and achievement. The Quarter One winner of the REBELution is the Epsilon House! Each student belongs to one of four Houses — Rho, Epsilon, Beta, or Lambda — and earns points through academics, attendance, behavior, and Greek games. At the end of each quarter, the House with the highest total claims the Gladiator helmet, and their banner hangs in the high school hallway until the next quarter. At the next REBELution, the excitement will continue as the winning house makes a grand entrance under the spotlight, which encourages students to work hard and have fun!

**Notice:**

School will be out Monday, Oct. 13, for Columbus Day; and students will be out of school Tuesday, Oct. 14, for Teacher-in-Service.

**Lady Rebels receive state championship rings for softball**

Last Thursday night, the Zion Chapel Lady Rebel Softball team celebrated its 2025 softball State Championship in style.

The players received their championship rings at midfield of the football stadium, delivered by helicopter and escorted by Zion Chapel School Resource Officer, Deputy Shawn Sawyer.

The crowd erupted as the helicopter touched down — a fitting entrance for a team that made history last spring. The night was filled with smiles, cheers, and pride as the Lady Rebels finally held the rings that symbolize all their hard work and dedication.

It was a moment the players, coaches, and community won’t soon forget.

Congratulations, Lady Rebels!

# Elba celebrates Homecoming 2025 with annual parade

### ELBA?

I took my little kayak along the river Pea, and went down to a summer town, called Elba, duty free.  
The town had been forever in a flood of dreams, schemes and people stuck in misery! I found that Elba had lived before in a far off land, across the enchanted sea.  
For once there was a little French man, who had great ambitions though they be.  
He bet them in the game of life to seize the world he could see.  
But those who folly at this game, will end of life they see, is much bigger than plan of mortal man -  
An emperor can make in his quest for immortality. This man who had a wife, her name was Josephine, was stripped of all his fame and lived on an island in the sea.  
Where is Elba, Island -
